PIZZERIA

At PizzaExpress your lifestyle choices and dietary requirements are just as important to us as they are to you or someone you care about.

Please note that our menu descriptors do not include all ingredients or allergens. Even if you have chosen the item previously, please make sure that you check the allergen information each time you visit and always inform your waiter of your allergy, intolerance or dietary requirements when ordering. Our teams cannot recommend or tell you what is suitable for you to eat or drink. Regional variations may apply.

CONTAMINATION:

As our suppliers handle numerous ingredients and allergens, and our dishes are handmade in our busy kitchens, unfortunately, we cannot guarantee that they are 100% free of allergens or contaminants.

HOW TO USE THIS GUIDE

Our menu items are listed in rows on the left-hand side. If a menu item contains an allergen in its ingredients, a '✓' is displayed on the menu row in the corresponding allergen column. The '✓' indicates that allergen is contained in the menu item. If a '*' is displayed on the menu item row, it refers to ingredients which are produced in a factory with this allergen present and we have deemed that there is a significant risk of contamination.

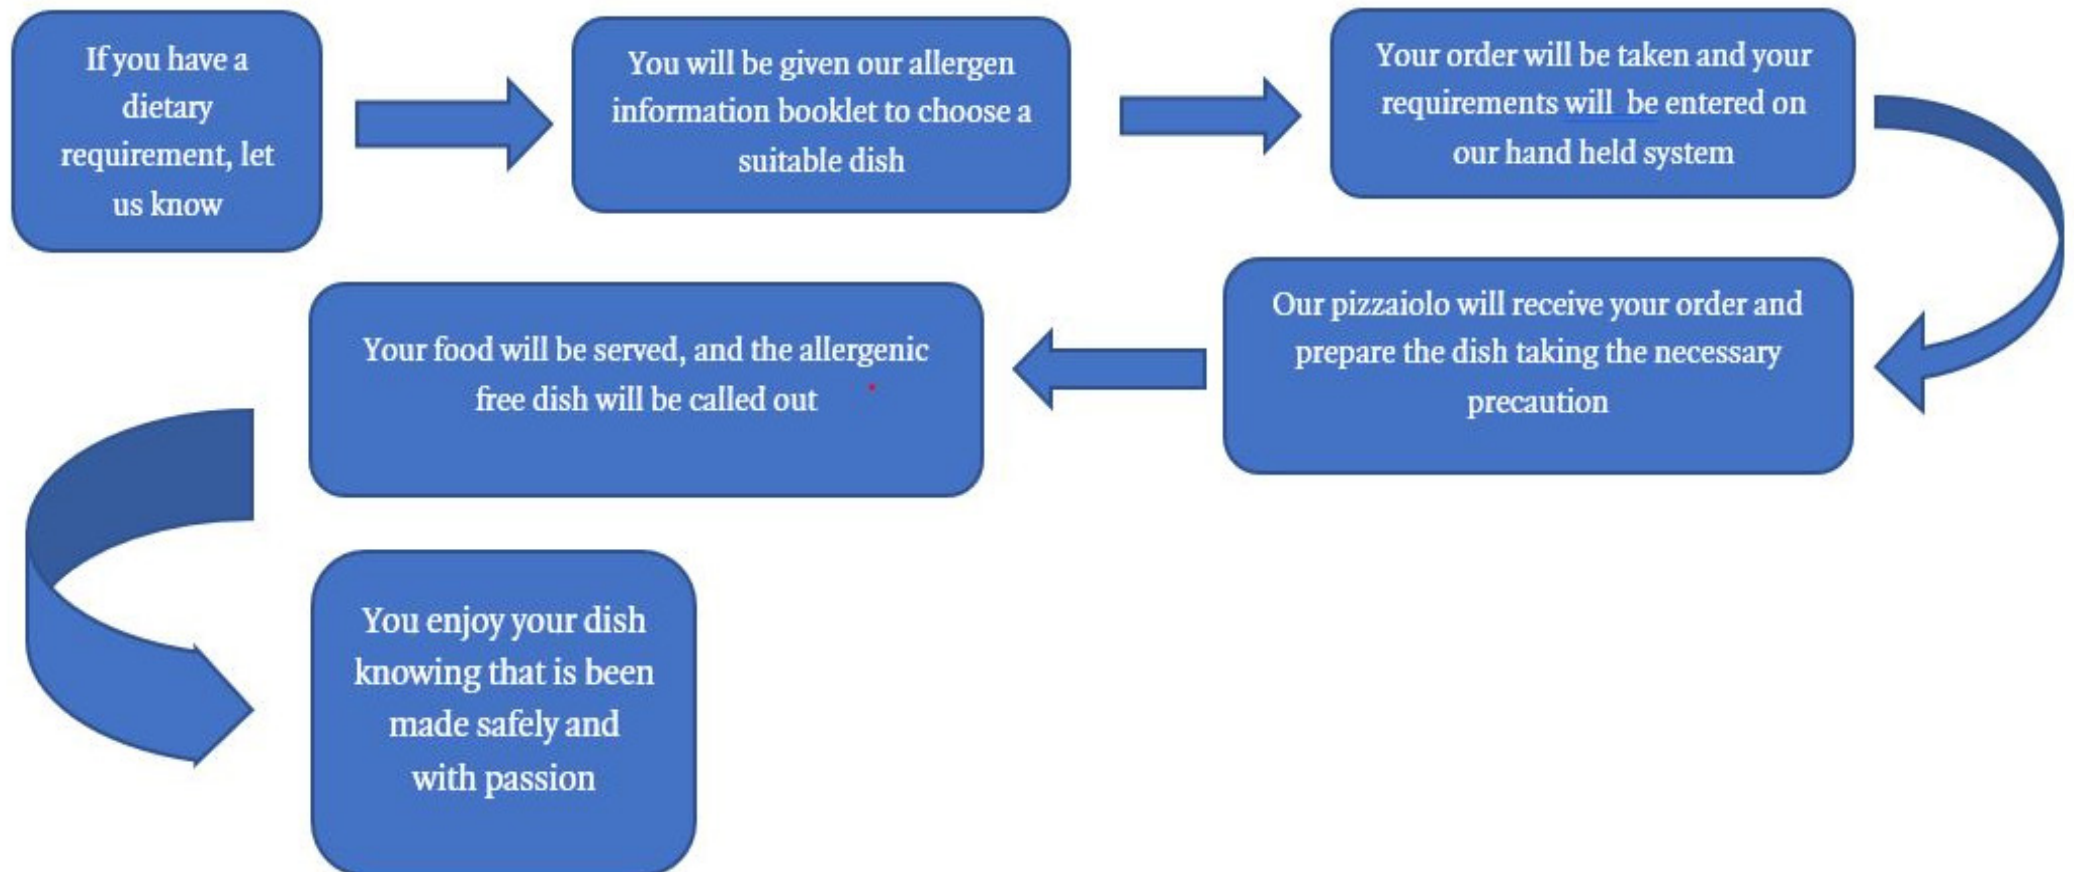

NB. In the 'Ingredients' section of this guide, we do not list any ingredients which are unadulterated, e.g. eggs, tomatoes, peppers, oregano, coffee beans, etc.

In accordance with the EU Food Information Regulation, we declare the main fourteen allergens.

We want all of our customers to feel comfortable requesting allergen and dietary information when dining with us. Every restaurant has a copy of the Allergen Information on hand, just ask! Alternatively, scan the QR code at the bottom of our menu to see the information online.

Information on calories, carbohydrates and other nutritional values can also be found online on our website. If you don't have an internet connected device on hand, ask a member of the team. We will be happy to provide you with the information.

If you have other questions regarding our ingredients or would like to see more information listed on this document, please do get in touch via our Help & Feedback page: www.pizzaexpress.com/help-and-contact

GLUTEN-FREE:

All of our pizza toppings are gluten-free, therefore all of our Romana and Classic recipes can be ordered on our unique, classic-sized, gluten-free base, made in our gluten-free bakery. If your gluten-free pizza is not served to you on a black board, please check this with a member of the team.

Our Dough Balls are also available gluten-free. We offer a wider selection of gluten-free dishes as accredited by Coeliac UK. Gluten-free describes foods that contain gluten at a level of no more than 20 parts per million (20ppm).

VEGETARIAN AND VEGAN:

We are very excited to bring you a specific Vegan Menu which lists all our dishes and drinks that are suitable. Please ask our teams. With regards to our Vegan Menu, you will notice that not all of our dishes are listed. We have chosen the selected dishes, since appropriate controls have been implemented to make them suitable. Your safety is of the utmost importance to us. Items marked as (V) are made with vegetarian ingredients, and items marked as (Ve) are made with vegan ingredients. We hope you enjoy our Vegan Mozzarella Alternative which is made with sprouted Italian brown rice. It is free from gluten, soybeans, nuts, preservatives, palm oil and is suitable for those with a dairy-reduced diet.
