

# Allergen Information

## England, Scotland, Wales and Jersey

We want all our customers to feel comfortable requesting allergen and dietary information when dining with us.

Every pizzeria has a copy of the Allergen Information on hand – *this very guide!* Alternatively, please scan the QR code below or the QR code found at the bottom of our menus to check the information online.

Additional Nutritional Information and the Ingredients List can be checked online too.

If you do not have an internet connected device on you, please ask a member of our team. We will be happy to provide you with the information.

## HOW TO USE THIS GUIDE

At PizzaExpress your lifestyle choices and dietary requirements are just as important to us as they are to you or someone you care about.

Our dishes, ingredients and drinks are listed in rows on the left-hand side. If a dish contains an allergen in its ingredients, a '✓' is displayed on the row in the corresponding allergen column, this indicates that the allergen is contained in the dish. If a '\*' is displayed on the menu item row, it refers to ingredients which are produced in a factory with this allergen present and we have deemed that there is a significant risk of cross-contamination.

In the 'Ingredients' section of this guide, we do not list any ingredients which are unadulterated; e.g. eggs, tomatoes, lemons, peppers, oregano, coffee beans, etc.

Please note that our menu descriptors do not include all ingredients or allergens. Even if you have chosen the item previously, please make sure that you check the Allergen Information each time you visit and always inform your waiter of your allergy, intolerance or dietary requirements when ordering. Our teams cannot recommend or tell you what is suitable for you to eat or drink. Regional variations may apply.

## DELIVERY

We regret to inform you that when ordering through our delivery platforms, we cannot accommodate specific allergies or dietary requirements. This is because the orders are handled and transported by a third party, making it impossible for us to guarantee adequate controls are in place to prevent cross-contamination. However, we would be delighted to meet your dietary needs at our pizzerias. We invite you to dine with us or visit your nearest pizzeria to place an order and pick it up in person. Your satisfaction and well-being are important to us, and we look forward to serving you in our pizzeria.

## DINE IN & COLLECTION

To our guests with food sensitivities, allergies, or specific dietary requirements, we want to assure you that while we take every precaution to minimise the risk of cross-contamination, our ingredients are processed, and our dishes are prepared in environments where allergens are present. Our teams work diligently to prevent issues, but due to the constant handling of various allergens, we cannot guarantee that our dishes are entirely allergen-free or suitable for those with specific allergies.

## GLUTEN-FREE

We offer a wide selection of gluten-free dishes which are marked as 'GF' on our menus, as accredited by Coeliac UK.

All Romana and Classic recipes can now be ordered on a gluten-free base (made in our gluten-free bakery) and are served with a purple pizza slicer. Our pasta recipes (except Chicken Parmigiana, Lasagna and Cannelloni) can be ordered gluten-free and are marked with a gluten-free sticker. Dough Balls 'PizzaExpress' are also available gluten-free.

Our Piccolo pizza and pasta recipes can all be ordered gluten-free and are marked with a gluten-free sticker. Piccolo Dough Balls are also available gluten-free and are served on a small black dish.

**If your gluten-free choice does not match the above description, please ask a team member.**

To reduce the risk of cross-contamination, we only use loose, gluten-free rice flour in our kitchens.

Gluten-free dishes ordered via our website are delivered by a third party. Please note that our gluten-free accreditation with Coeliac UK does not cover a situation where a third-party delivery company is used.

Gluten-free describes foods that contain gluten at a level of no more than 20 parts per million (20ppm).

## VEGAN & VEGETARIAN

Items marked as 'V' on our main menu are made with vegetarian ingredients, and items marked as 'Ve' are made with vegan ingredients. Our Vegan Mozzarella Alternative is made with sprouted Italian brown rice and is suitable for those with a reduced-dairy diet.

Our **Vegan Menu** lists all our dishes and drinks that are suitable for those following a diet free from products of animal origin. We work closely with our suppliers to minimise the risk of cross-contamination; however, it is not always possible to completely eliminate this risk. We adhere to the guidelines set by the Vegan Society and the Food Information Regulations. As a result, any identified risk of cross-contamination with products of animal origin is indicated in this guide with an asterisk (\*). Our teams work diligently to prevent cross-contamination in our pizzerias, but due to the constant handling of various allergens, we cannot guarantee that our dishes are entirely allergen-free or suitable for those with specific allergies.

# Your Journey

**When dining with us...**

Please feel comfortable requesting any information on allergens or dietary requirements when dining with us, and let our team know when ordering your meal.

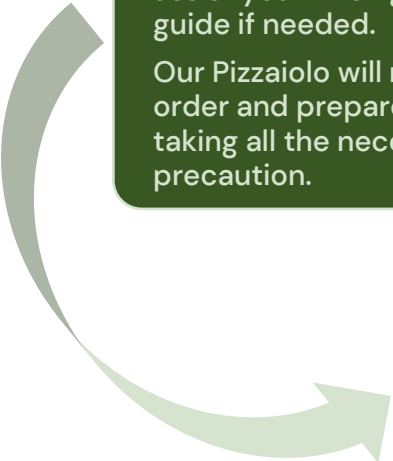

You will be provided with this guide, which declares the allergens present in our recipes and ingredients. If you prefer to check the information online, please scan the QR code found in this guide or on our menus.

Once you have chosen a suitable meal, your order will be taken, and your requirements will be entered on our hand-held device or on the till. Please note that our team cannot tell you what is suitable for you to eat or drink.

Our team will be happy to assist you in navigating the guide if needed. Our Pizzaiolo will receive your order and prepare your meal taking all the necessary precaution.

Your dish will be called out by our team when you are being served.

You enjoy your meal knowing that it has been made safely and with passion.
