# Make a fun paper hat
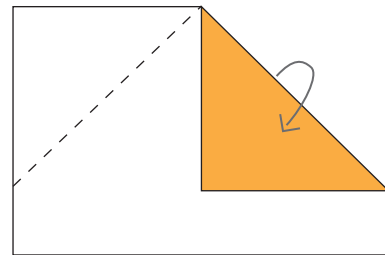

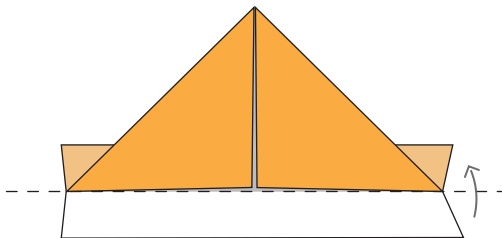

Difficulty level 1.
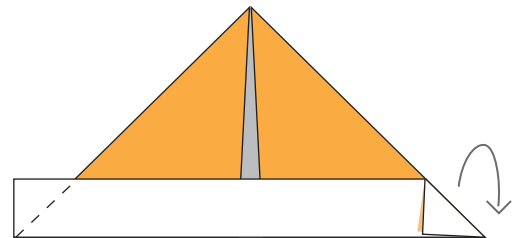

**1** Fold a sheet of paper in half. Newspaper is a great size!

**2** Now fold each corner into the centre.

3 Fold the bottom pieces up along the dotted line on each side.

4 Fold the corner pieces over in front and press down.
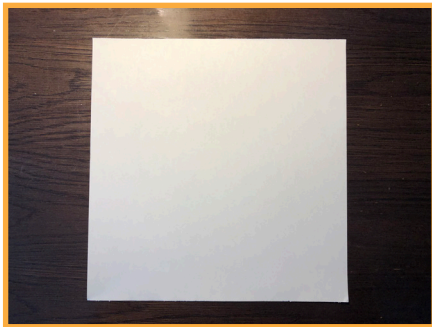

5 Now open your hat out.
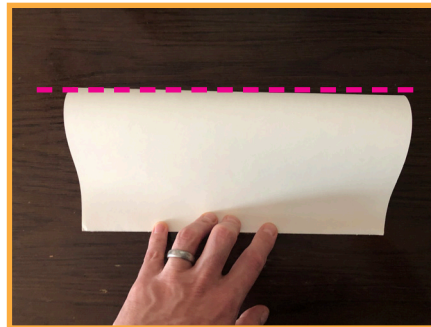

Have some fun and colour it in!
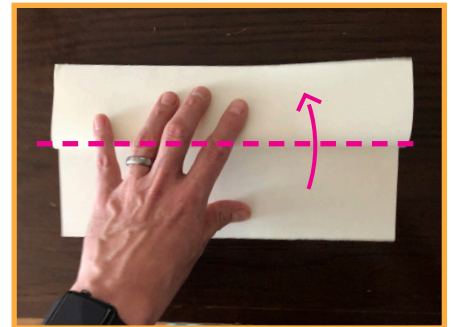

Make a Paper Pizzaiolo Hat!

Now that you've mastered the first hat, try moving on to a pizzaiolo hat. Difficulty level 4/5.

1. Take a square piece of paper. The bigger the better.

2. Fold the top down in half and crease along dotted line.

3. Fold the top piece up to half way and crease.
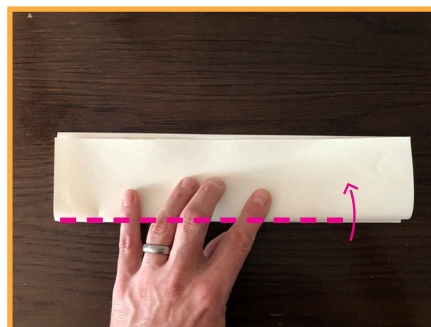

4. Then open out again.

5. Now fold up along the dotted line to the half way mark.

6. And fold that piece over again to look like this.

7. Now flip over to the other side.

8. Fold the top side up in half to make a crease on the dotted line.
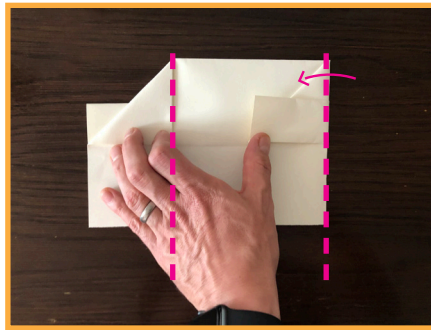

9. And then unfold.
